Eligibility for Health Services

Most international school learners are not entitled to publicly funded health services in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at www.moh.govt.nz

Accident Insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at <https://www.acc.co.nz/im-injured/what-we-cover/if-youre-a-visitor-injured-in-new-zealand/>

Medical and Travel Insurance

International School Learners must hold, and provide evidence of, appropriate and current medical and travel insurance while studying in New Zealand. This insurance must cover the full length of time spent in New Zealand. An overseas insurance policy will only be accepted if it is accompanied by an English translation. The school will keep a record of the insurance policy number and type of cover offered. The school is also able to assist with the purchase of New Zealand based medical and travel insurance and is able to assist with this during enrollment.
